Independent Auditor's Review Report to the members of Blackmores Limited

We have reviewed the accompanying half-year financial report of Blackmores Limited, which comprises the balance sheet as at 31 December 2009, and the income statement, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity for the half-year ended on that date, selected explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the end of the half-year or from time to time during the half year as set out on pages 7 to 19.

INDEPENDENT AUDITOR'S REVIEW REPORT (CONTINUED)

Deloitte.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the halfyear financial report of Blackmores Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.

Significant Accounting Policies

The accounting policies and methods of computation applied by the Group in this Financial Report are the same as those applied by the Group in the Consolidated Financial Report as at and for the year ended 30 June 2009, except as described below.

Comparatives

Various comparative balances have been reclassified to align with current year presentation. These amendments have no material impact on the Financial Report.

Estimates

The preparation of the Financial Report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In preparing this Financial Report, the significant judgements made by management in applying the Group's accounting policies and the key sources of uncertainty in estimation were the same as those that applied to the Financial Report as at and for the year ending 30 June 2009.

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or other events is reported.
