

## **General Manager / Blackmores Institute Australia & NZ BLACKMORES**

***Support and develop the Australian Blackmores Institute team.***

***Senior strategic role reporting to Group Director Blackmores Institute.***

***Reinforce Blackmores health expert position– Warriewood Head Office.***

**Blackmores** is a market leader in developing and marketing products and services throughout Australasia that deliver a more natural approach to health. We are passionate about delivering high quality products and services and we always seek to employ people who share this vision.

The **Blackmores Institute** is the **academic and professional arm of Blackmores**, focused on advocating an evidence-based approach to natural medicine through the support of research, education and advisory services for healthcare professionals. (see [www.blackmoresinstitute.org](http://www.blackmoresinstitute.org) for more information)

***A highly emphatic people leader is desired to support and develop the Australian Blackmores Institute team.***

Reporting to the Director of Blackmores Institute, the appointed Australian Manager for the Blackmores Institute will have accountability for the day-to-day operations of the business and will report directly to the Group Director of the Blackmores Institute. This role is positioned as the Deputy to the Group Director Blackmores Institute.

The successful applicant will have a passion for Natural Health, coupled with a deep understanding of leading strong consumer brands in complex and regulated markets. This role will embrace Blackmores Institute business objectives, and reinforce the Blackmores health expert position, through effective, efficient and constantly innovative delivery to differentiate and position Blackmores and the Blackmores Institute as the leading authority on Natural Health.

We see the successful applicant having advanced skills in managing people and building successful teams. You will be strategic with the ability to influence and lead in facilitating change. Experience in education and building virtual education facilities will be advantageous in rapidly coming to terms with the scope of this role.

This is a senior role where you will be working with a company that is at the forefront of the health and wellbeing community on the Internet, with a strong customer focus and real passion in all we do. An appropriate remuneration package commensurate with the seniority linked to this role will be offered to the successful applicant.
