

Grow Your Career

Regulatory Affairs Associate

Blackmores is a market leader in developing and marketing products and services throughout Australasia that deliver a more natural approach to health. We are passionate about delivering high quality products and services and we always seek to develop and promote people who share this vision.

An exciting opportunity has become available for a full time role of Regulatory Affairs Associate, reporting to the Regulatory and Medical Affairs Manager.

Position Purpose:

Co-ordinate and oversee product compliance with legal, statutory, industry and corporate requirements related to the regulation of healthcare products in Australia, New Zealand and/or Asia

Specific Accountabilities:

Regulatory Filings/ Approvals

- Submit applications according to agreed filing plan
- Provide regulatory support to overseas affiliates to achieve successful regulatory approval

Regulatory Compliance

- Review advertising and promotional material to ensure compliance with local regulations
- Review product labelling for compliance to local regulations
- Implement regulatory strategies as required
- Negotiate successful regulatory approvals
- Analyse and develop scientific / technical product information for compliance to local regulations
- Provide regulatory / technical / scientific advice to support regulatory compliance
- Identify, correct and resolve compliance issues
- Project manage regulatory activities for new product launches
- Maintain relevant product databases

Blackmores is a smoke-free environment where the health of employees is valued and they are provided with an on-site gym, fresh healthy food from a subsidised staff café and generous product discounts.

If you wish to be part of an organisation where people are genuinely committed to the values that are at the heart of our business: passion for natural health, integrity, respect, leadership and social responsibility, please e-mail your resume to Tracey Dolby at TDolby@blackmores.com.au

Applications close date: 6 June 2016.
